**VISION** - Leadership in Energy Delivery, Excellence in Customer Service... enhancing the quality of life for all.

**MISSION** - To provide a safe, reliable, high quality electricity supply, in an environmentally responsible manner, utilizing best practices, through empowered employees committed to excellence and customer satisfaction.

22 June, 2017

## **UPDATE ON AREAS STILL AFFECTED AS A RESULT OF TROPICAL STORM BRET**

T&TEC wishes to advise that restoration works are still ongoing in the affected areas, as its crews continue to work round the clock to ensure that all customers are back on supply as quickly as possible.

There are approximately twenty-five areas that continue to be without an electricity supply. Below is a breakdown according to area.

### **North:**

Paramin, Mackay Hill - Belmont, Upper Belmont Valley Road as well as about twenty-five (25) individual customers, who would be attended to today.

### **South:**

Seven (7) areas are still without an electricity supply – two (2) pockets in Moruga and five (5) in the Penal Area, in addition to some individual customers.

### **East:**

The Eastern Area continues to encounter a number of challenges due to flooding and fallen trees which have affected restoration efforts. Crews from the Central Area continue to assist with the situation and are working feverishly to have all customers back on supply. The areas still affected are Tamana, Talparo Mundo Nuevo, Coalmine, Blanchisseuse, Cumuto, Foster Road – Sangre Grande, Sou Sou Lands and Salybia .

With respect to the Central Area and Tobago there are no areas that are without an electricity supply due to Tropical Storm Bret.

The Commission would like to thank its customers for their continued patience and understanding as we make every effort to have all customers back on supply
