Updates to Tobago outage (sent via email)

5:05 p.m.

Please note that at around 4.40p.m., the first set of customers, in lower Scarborough, came back on supply. They were followed by Calder hall, Bacolet and Uptown Scarborough. The machines at Cove are coming on and all other customers will come back on supply gradually.

Please contact me if you need any clarifications.

Hello,

Subsequent to the last update, a machine a cove tripped back out so the initial restoration in some areas was brief. Two machines are now back online and, in addition to parts of Scarborough, Signal Hill and Mt Irvine that were back earlier, all others are back on except for the following areas and environs: Arnos Vale, Charlottesville, Northside, Bacolet and Studley Park.
