

Attention Band Leaders, Masqueraders and DJs

CAUTION

**Stay Clear Of Overhead Lines.
Coming close to or into contact with
overhead lines will endanger life.**

DO NOT install equipment that exceeds 15 feet, on top of DJ trucks. Equipment above this height will interfere with overhead lines.

DO NOT use bamboo, wooden or metal rods to lift electricity lines to accommodate equipment on trucks. This could result in loss of life and damage electricity lines and equipment.

DO NOT attach signs, posters or any other items to electrical poles.

**If you see any unsafe conditions, call the T&TEC Carnival
Hotline at 482-4491 from 7 a.m. to 11 p.m. or
800-TTEC (8832) 24/7.**
