

HEAD - ARTIFICIAL INTELLIGENCE (AI) AND DATA ANALYTICS

The Trinidad and Tobago Electricity Commission is inviting applications from suitably qualified and competent nationals for the above position.

JOB FUNCTION:

- Leads the Commission's AI and Data Analytics strategy in alignment with corporate objectives.
- Manages and develops AI, data science, and analytics teams.
- Drives the design and deployment of AI-enabled, predictive, and prescriptive solutions.
- Translates data insights into actionable recommendations for senior management.
- Partners with business units to identify and deliver AI and analytics opportunities.
- Monitors emerging technologies to support continuous improvement and innovation.
- Reviews and prioritizes AI and analytics initiatives to ensure strategic alignment and value.
- Promotes a data-driven culture and analytics literacy across the Commission.
- Ensures effective resourcing and capability development within the function.
- Represents the Commission in AI, data, and digital transformation engagements.
- Prepares and manages departmental budgets.
- Performs other related duties as required by the job function.

EDUCATION AND TRAINING:

- Bachelor's degree in Data Science, Computer Science, Statistics, Engineering, Mathematics, or a related discipline.
- Master's degree in Data Science, Artificial Intelligence, Analytics, Business Analytics, or related field would be an asset.

KNOWLEDGE, SKILLS & EXPERIENCE:

- Minimum of eight (8) years' experience in AI and Data Analytics including five (5) years at a senior management level.
- Advanced knowledge of data analytics, machine learning, and AI methodologies.
- Strong understanding of data architectures, cloud platforms, and data governance frameworks.
- Knowledge of ethical AI practices, data privacy, and regulatory requirements.

SALARY:

Salary, terms and conditions of employment shall be in accordance with those determined by Members of the Commission.

Interested candidates should address an up-to-date résumé to:

CHIEF HUMAN RESOURCES OFFICER
